Severed Coal & Mineral Parcels in Southern Christian County

DISCLAIMER: The information depicted on this map is based on the current information available in the Christian County Supervisor of Assessments Office and is provided with no guarantee or warranty. This map is for illustrative purposes only. Prior reservations unknown to this office are not depicted on this map. None of the information should be interpreted as indicating ownership or as a legal basis for claim to any coal and/or mineral rights in Christian County. A thorough search and consultation with a knowledgeable attorney is recommended regarding the status of the coal and mineral rights beneath your surface holdings.
